Personal drinks table and water table information:

There will be 3 x fully stocked water tables with the following products.

- 1.Thirsti plastic water bottles.
- 2.Biogen Carbogen energy drink served in plastic bottles.
- 3.Coke served in plastic drinking bottles.
- 4.Biogen and Future Life energy bars.
5. Bavaria refreshment drinks at the finish.

Personal Drinks table:

Personal Drinks tables will be placed in the middle of the Road between 5th and 6th Avenue to the left of Southern Sun Marine Hotel at the 5km and 9km mark of each lap.

Drinks tables will be numbered from 1 to 9. Athletes' bottles will be placed on the table number that corresponds with the last number of the race number. E.g. Race nr 1/11/21 etc will be placed on table 1. Race nr 7/17/27 etc will be placed on table 7. Race nr 1 will be the first bottle on the table, with race nr 91 the 10th bottle.

Athletes can access the tables from both directions and will therefore have access to the tables 10 times or 9 as I am sure they won't take the first time at less than 1km. We will pack 2 bottles per person onto the table at a time and will be restock as required. The tables will be spread out for easy access.

Transport from and to the airport:

Any athlete that has not yet made arrangements for transport to the Airport for your return flight, please let us know your departure flight and time before Saturday 17h00.

Covid and PCR testing:

Those International and African athletes that needs to present a PCR Covid test when they go back to their countries, please remember we will have an inhouse testing by Michelle Felix, who works closely with Ampath on Saturday 5 March at the Marine Hotel between 9h00 and 12h00. The cost of the test will be R850-000 and the turnaround time for results will be 24 hours. The cost of the test for the athletes representing Nedbank RC will be paid by the club. Please let us know if we must add your name to the list to be tested.

SEE ATTACHED AMPATH FORM TO BE FILLED IN BY INTERNATIONAL ATHLETES FOR TESTING AT HOTEL

Television Broadcast and Coverage:

The race will have SABC TV, Suppersport coverage and it will be live streamed across the globe on the Nedbank Running Club Facebook page. This will enable you to gain great publicity for you and your club sponsors and partners.

Age Group World Best times:

The relevant Current World Best Age group times and minimum entry criteria are on the web site.

Covid compliance and rules for the competing athletes:

The relevant race rules and references are on the web site for reading prior to entry along with the required waivers.

The following is the basis of the Covid Compliancy. Obviously this may be changed should the situation in the country change by race day.

Upon arriving at the designated Hotel or at any meetings, planned events and or any other gathering before, during your stay as well as before the start of the race, you will be required to always sanitize, wear your mask / buff that covers your nose and mouth, fill in the COVID-19 register and do the required temperature check that will be available at all points.

COVID-19 regulations level as Gazette by the South African Government on 01 October 2021 encourages every person to adhere to all COVID-19 Health protocols

- Screening for COVID-19 and quarantine or isolation, where necessary
- Sanitize and washing of hands
- Always wear your mask/buff that covers the nose and mouth except from start to finish of race and when vigorously exercising outdoors.
- Social distancing outdoors and indoors, at least one and a half meters from any other person.

Because of Covid19 protocol and restrictions all athletes have to stay in the same hotel where Covid regulations will be strictly followed and athletes and staff will be screened daily on entering the race hotel

All athletes, managers, assistants and personnel who are fully vaccinated are requested to present their vaccination certificate at registration.

Doping control operations

Testing at the competition is to be carried out strictly in accordance with the World Athletics Anti-Doping Rules and WADA's International Standard for Testing & Investigations. These documents are available for downloading from the AIU websites: <https://www.athleticsintegrity.org/know-the-rules>

Selection for doping control

The selection criteria and, where applicable, recommendations for target testing at your competition will be communicated directly to the lead Doping Control Officer once he/she has been identified.

Athletes achieving World Records must be submitted to doping control, immediately after the event in accordance with the Book of Rules C1.1 (Competition Rules 31 (amendment to Rules 31.3.5 and 31.14.4))

Please be aware, however, that the AIU may ask to conduct extra in-competition tests at its own costs. The AIU will then liaise directly with the sample collection authority. The AIU may also decide to conduct additional pre-competition tests, including blood testing as appropriate.
