

Nedbank Runified Breaking Barriers 50 km Ultramarathon

6 March 2022

FOREWORD – ATHLETICS SOUTH AFRICA

We are satisfied with the partnership we have with Nedbank for this race and on behalf of the Board of ASA, I take the opportunity to thank Nedbank for being a friend of Athletics and for their continued commitment to this unique and exciting competition. We are happy to note that the first edition of the race was an absolute success.

Once again, the Nedbank Runified Breaking Barriers 50km will be one of the races that will be used to select the final national team, consisting of six women and six men, who will compete in the IAU 100km World Championships in August.

I thank Nedbank, Athletes, Coaches and the Nelson Mandela Bay Municipality, and wish everyone a wonderful race.

James Moloji
